ELLATRONIX —
MUSIC LICENCE TERMS & CONDITIONS

These terms govern the purchase, download, and use of music made available by Ellatronix and Ella. By purchasing or downloading a track under any licence category, you agree to the applicable terms below.

The licence purchased applies only to the specific track and permitted uses described in that category. All rights not expressly granted remain with the relevant rights holders.

1. A$0 — For Your Listening Enjoyment

Licence type: Personal listening only

This licence allows you to download and listen to the track for your own personal enjoyment.

You may:

- Download and store the track on your personal devices.
- Listen privately as often as you like.
- Keep a personal backup copy.

You may not:

- Use the track in videos, films, games, podcasts, livestreams, or other productions.
- Sample, remix, edit, adapt, or incorporate the track into another composition.
- Upload, share, distribute, sell, or make the audio file available to others.
- Use the track for commercial purposes or public distribution.
- Claim ownership or authorship of the music or its recording.

Copyright and ownership: All rights remain with the relevant rights holders. This free licence grants personal listening permission only and does not transfer ownership or grant commercial usage rights.

Any use beyond personal listening requires a separate licence from Ellatronix.

2. A$20 — YouTube / Creator Sync: Under 100K Subscribers

Licence type: Single-song YouTube creator synchronisation licence

This licence is available to creators whose YouTube channel has fewer than 100,000 subscribers at the time of purchase.

The licence covers:

- One licensed Ellatronix song.
- Use of that song on one specified YouTube channel.
- Synchronisation of the song with video content published on that channel.
- Content ID whitelisting for the specified channel, subject to the requirements below.

You must:

- Provide the correct YouTube channel URL at checkout or through the designated licensing form.
- Use the licensed song only within the scope of this licence.
- Ensure you have the necessary rights to all other material included in your video.
- Contact Ellatronix if a Content ID claim arises against an appropriately licensed video.

You may not:

- Use the licence for additional YouTube channels without obtaining additional permission.
- Transfer the licence to another creator or channel.
- Distribute or sell the song as a standalone audio file.
- Register the original song or recording as your own, or use it to claim ownership of the underlying music.

- Assume that this licence grants rights for unrelated commercial releases, standalone music distribution, or uses outside the licensed YouTube channel.

Content ID and whitelisting: Ellatronix will arrange whitelisting for the specified channel where the applicable Content ID system and rights administration arrangements permit it. You must provide accurate channel details and allow reasonable time for processing. If a claim occurs, contact Ellatronix with the video URL and claim details so it can be investigated.

This licence does not transfer copyright ownership or grant exclusive rights to the song.

3. A$35 — YouTube / Creator Sync: 100K–1M Subscribers

Licence type: Single-song YouTube creator synchronisation licence

This licence is available to creators whose YouTube channel has between 100,000 and 1,000,000 subscribers at the time of purchase.

The licence covers:

- One licensed Ellatronix song.
- Use of that song on one specified YouTube channel.
- Synchronisation of the song with video content published on that channel.
- Content ID whitelisting for the specified channel, subject to the requirements below.

You must:

- Provide the correct YouTube channel URL at checkout or through the designated licensing form.
- Use the song only within the scope of this licence.
- Ensure that all other content in your video is appropriately licensed.
- Contact Ellatronix if a Content ID claim arises against an appropriately licensed video.

You may not:

- Use this licence for additional channels without separate permission.
- Transfer the licence to another creator or channel.
- Redistribute or sell the song as a standalone audio file.
- Claim ownership of the original song, composition, or recording.
- Use the song in standalone commercial music releases or other projects not covered by this licence.

Content ID and whitelisting: Ellatronix will arrange whitelisting for the specified channel where supported by the applicable rights administration systems. You must provide accurate channel details and allow reasonable processing time. Any claim affecting a properly licensed use should be reported to Ellatronix with the relevant video URL and claim details.

This licence does not transfer copyright ownership or grant exclusive rights to the song.

4. A$50 — To Sample / Remix

Licence type: Sampling, remixing, and new composition — subject to approval and a separate agreement

This licence allows you to use the instrumental to create a new original composition, remix, or release, subject to the following conditions.

You may:

- Sample or incorporate the instrumental into a new musical composition.
- Create a remix, adaptation, or new work based on the instrumental.
- Prepare a proposed release for review and approval.

You must:

- Submit the completed proposed track through the Ellatronix Track Approval form before any public release or distribution.
- Provide the information reasonably required to identify the new work and its intended release.

- Work with Ella to review and finalise the master recording and publishing splits.
- Complete the required split agreement and obtain written release approval before making the new work publicly available.

You may not:

- Release, distribute, monetise, or publicly perform the new work before the required approval and agreement are finalised.
- Claim sole ownership of the original instrumental or its underlying composition.
- Sell, redistribute, or provide the original instrumental as a standalone file.
- Transfer this licence to another person or use it to authorise third parties to exploit the original instrumental independently.

Important: Purchasing this licence permits you to develop a proposed new work. It does not automatically grant unrestricted release rights or establish final ownership percentages. Those matters must be finalised in the applicable written agreement.

Releasing or distributing the new work without the required approval and agreement constitutes a breach of this licence and may result in termination of the permission granted, subject to applicable law.

5. A$215 — YouTube / Creator Sync: 1M+ Subscribers

Licence type: Single-song YouTube creator synchronisation licence with priority whitelisting

This licence is intended for creators whose YouTube channel has 1,000,000 or more subscribers at the time of purchase.

The licence covers:

- One licensed Ellatronix song.
- Use of that song on one specified YouTube channel.

- Synchronisation of the song with video content published on that channel.
- Content ID whitelisting for the specified channel.
- Priority processing of the whitelisting request compared with standard turnaround.

You must:

- Provide the correct YouTube channel URL at checkout or through the designated licensing form.
- Use the song only within the scope of this licence.
- Ensure all other material used in your video is appropriately licensed.
- Contact Ellatronix promptly if a Content ID claim arises against an appropriately licensed video.

You may not:

- Use this licence for additional YouTube channels without separate permission.
- Transfer the licence to another creator or channel.
- Redistribute or sell the song as a standalone audio file.
- Claim ownership of the original song, composition, or recording.
- Use the song for standalone commercial music releases or other uses outside this licence.

Content ID and priority whitelisting: Ellatronix will prioritise the whitelisting request for the specified channel, subject to the applicable Content ID systems and rights administration arrangements. Priority processing does not guarantee an immediate completion time or prevent every possible third-party claim. If a claim occurs, provide Ellatronix with the video URL and claim details so it can be investigated.

This licence does not transfer copyright ownership or grant exclusive rights to the song.

6. General Terms Applicable to All Licences

Copyright and ownership

All copyrights and other intellectual property rights in the original music, composition, and sound recording remain with their respective rights holders. Purchasing a licence grants only the permissions expressly stated in the applicable category.

No unauthorised redistribution

Unless expressly permitted in writing, you may not resell, sublicense, distribute, or make the original audio file available for others to download as a standalone track.

Licence scope

Each licence applies only to the specified track and permitted uses. Additional tracks, channels, projects, or uses require separate permission unless expressly agreed otherwise in writing.

Accurate information

You must provide accurate information when purchasing a licence, including the relevant artist or channel details. Ellatronix may request reasonable information to verify that the intended use falls within the purchased licence.

Breach and termination

A material breach of these terms may result in termination of the permissions granted under the applicable licence, subject to applicable law. Termination does not remove any rights or remedies available to the relevant rights holders under applicable law.

Refunds

No Refunds are available.

Changes and interpretation

The terms applicable to a purchase are those presented to the customer at the time of purchase, subject to applicable law and any later written agreement between the parties.

Contact

For any questions, enquiries contact thalia@storybeats.com.au

By purchasing or downloading a track, you acknowledge that you have read and agree to the terms applicable to the selected licence category.
